

Home Business Websites - Read Me 1st

Congratulations on the purchase of your website, and for making the decision to start your own online business!

The following 2 x documents will be required during the setup of your website:

1. Suppliers

Access to Wholesale and Drop Shipping Suppliers. Use this guide to browse suppliers and choose products to add to your store.

2. Website Instructions - START HERE

Contains instructions that you need to setup your website. Use this guide to add products, add categories etc. Follow each step, from each chapter until the setup of your store is complete.

Once your store is setup, e.g. you have added products etc, you can then refer to the documents below as required:

3. Instructions Specific to your Website

Contains Advanced Instructions specific to your website. Use this guide to setup social media links, change website colours, change website banners - if required.

4. Advertising

Once your store is setup, it's time to start advertising. Use this guide to start advertising and promoting your business.

5. Additional Features Guide (optional)

If you have paid for any additional features to be installed on your website, refer to the Additional Features Guide.
